

Ha'Meshakem

One-Stop-Shop for Professional Vocational Rehabilitation

Ha'Meshakem is Israel's leading company devoted to vocational rehabilitation and the integration of people with disability into the local market.

Established in 1962, the company provides a stable vocational and rehabilitative framework for approximately 3,000 employees in sheltered and supported employment in 40 communities across the country.

The national company Ha'Meshakem is jointly owned by the Ministry of Social Affairs and the World Zionist Organization. The company offers many options for rehabilitation frameworks based on the principle of "mobility across the spectrum"

that are based on three main models:

- 1** Sheltered in the Open Labor Market based on employee-employer relations.
- 2** Supported Employment in the Natural Labor Market.
- 3** Models of placement and labour market Advancement of people with disability.
